Please comment on the impact this activity has had on your child and in your local community.

It will make her to be responsible and sensitive to her environment

If you have been directly involved in this activity what impact did it have on you?

It would have made me understand how to manage my waste and make something meaningful from it.

How could we improve this activity next time?

Is to evaluate what they have done today for them to identify any shortcomings and improve on that aspect.

Any other comments?

With this activity, they will know that what people call waste can be useful in so many ways.

Thank you for your time and comments.

To be completed by a parent or guardian:

Name:	Lawrence Ojewale	Year group of your child:	10th Grade (14-15)
Title of activity:	Trash to treasure	Date:	14th June, 2024

Please comment on the impact this activity has had on your child and in your local community.

This activity has increased her awareness on recycling and has taught her to be very creative and instead of trashing plastic bottles, we got a bag to keep them, because they can still be very useful.

If you have been directly involved in this activity what impact did it have on you?

It would have improved ^{my} teamwork with people and my knowledge about waste disposal and management

How could we improve this activity next time?

The students should be given personal projects to do at home as assignments too

Any other comments?

Thank you for your time and comments.
