Comment on the impact this activity has had on you and any other staff involved (at your school or other schools).

- It offered the opportunities to work together, learn from one another, and strengthen the school community. It helped me to improve on Team building, communication and professional development. By engaging in the activity, I strengthen my relationship with other staff members, enhanced my skills and create positive and productive working environment

Comment on the impact this activity has had on the school generally.

The activity has promote team work and Cooperation among students, build school spirit and community, encourage physical activity and healthy living and provided opportunities for leadership and mentoring. By fostering a more collaborative school environment through sporting activities, School has helped students develop important skills that will benefit them both socially and academically

Please make any suggestions for improvement (e.g. What was the most effective part of this activity for you and why? What was the least effective and why?)

- Promoting inclusive environments: By this, sports can help bridge cultural gaps and creates a more diverse community
- Implementing cross-cultural initiatives: Involve participants from different an near places. This will help breakdown barriers and foster connections between individuals from other regions.
- Integrating sports into education system
- some students refusal to participate in some sporting activities (least eff)

Any other comments?

I was able to add to my knowledge different games, rules and the standard procedures. It was such an engaging and educative activity

Thank you for your time and comments.
