--------------	-------------------------	-----------	--------------

To be completed by a teacher:

Name:	Mr Daranla Ibukun	Year group of child:	11-16
Title of activity:	Teacher Trash to Treasure	Date:	11/6/24

What impact has this activity had on the pupils involved (at your school or in your local community)?

The trash to treasure enabled the students to be conscious of recycling any material especially plastics.

Comment on the impact this activity has had on you and any other staff involved (at your school or other schools).

It really helped me to be mindful of the way I treat waste products. I realise that they are still usable.

Comment on the impact this activity has had on the school generally.

It makes the school to be environmental friendly.

Please make any suggestions for improvement (e.g. What was the most effective part of this activity for you and why? What was the least effective and why?)

The most effective part of the project is in the separation of plastic bottles from other wastes.

Any other comments?

It is a good initiative.

Thank you for your time and comments.

School name:	THE AMBASSADORS COLLEGE OTA	LA/Board:	ADO - ODO OTA
--------------	-----------------------------	-----------	---------------

To be completed by a teacher:

Name:	MR ADEKUNLE SIKA A.	Year group of child:	11-16 yrs
Title of activity:	Trash To Treasure	Date:	14/06/24.

What impact has this activity had on the pupils involved (at your school or in your local community)?

It has helped the pupils to develop their Creativity, business sense and Commitment to sustainability by turning trash into treasure.

Comment on the impact this activity has had on you and any other staff involved (at your school or other schools).

I am now aware that trash, particularly organic waste can be converted into energy through processes like anaerobic digestion which help generate electricity heat or biofuel.

Comment on the impact this activity has had on the school generally.

Unwanted items are now properly disposed and transformed into valuable products. Most of the products are used to design the school compound and offices.

Please make any suggestions for improvement (e.g. What was the most effective part of this activity for you and why? What was the least effective and why?)

Every bit of the activities is very interesting and catchy. Excess supply of tools will encourage more participation and involvement.

Any other comments?

An Impressive Initiative

Thank you for your time and comments.

To be completed by a teacher:

Name:	Mrs. Omolara Oyeniran	Year group of child:	Grades 7-11 (11-16)
Title of activity:	Treasure to Treasure	Date:	14/06/24

What impact has this activity had on the pupils involved (at your school or in your local community)?

The pupils learned how to recycle waste products, they also understand the importance of recycling and upcycling and how to preserve and reform waste products.

Comment on the impact this activity has had on you and any other staff involved (at your school or other schools).

The school has learnt the system of recycling and colour-different dustbins where plastic bottles are separated from other wastes.

Comment on the impact this activity has had on the school generally.

I have learnt the art of recycling and how to convert waste products to meaningful products.

Please make any suggestions for improvement (e.g. What was the most effective part of this activity for you and why? What was the least effective and why?)

The most effective part of this activity is the outreach to public and educating other people.
