

ISA Teacher Activity Evaluation Form

7
Activity number

To be completed by the International co-ordinator:

School name:	The Ambassadors' College	LA/Board:	Ado-odo Ota
--------------	--------------------------	-----------	-------------

To be completed by a teacher:

Name:	Mr Daniels	Year group of child:	13-15
Title of activity:	Cyber Security	Date:	14/06/24

What impact has this activity had on the pupils involved (at your school or in your local community)?

It helps them to be conscious of so many activities on the internet.

Comment on the impact this activity has had on you and any other staff involved (at your school or other schools).

It's impacts addresses the issue of cyberbullying and internet fraudulent activities.

Comment on the impact this activity has had on the school generally.

It went a long way in addressing cyber security matters.

Please make any suggestions for improvement (e.g. What was the most effective part of this activity for you and why? What was the least effective and why?)

The Cyberbullying aspect was impactful for me.

Any other comments?

A job well done.

Thank you for your time and comments.

ISA Teacher Activity Evaluation Form

7

Activity number

To be completed by the International co-ordinator:

School name: <i>The Ambassadors College</i>	LA/Board: <i>Ado-odo ota</i>
---	------------------------------

To be completed by a teacher:

Name: <i>Mr Anisulowo Olumide</i>	Year group of child: <i>13-15</i>
Title of activity: <i>Cyber Security.</i>	Date: <i>14/06/2024</i>

What impact has this activity had on the pupils involved (at your school or in your local community)?

This project has empowered pupils to become responsible digital citizens (netizens), educating them on online safety, privacy, and security best practices, and inspiring interest in STEM fields.

Comment on the impact this activity has had on you and any other staff involved (at your school or other schools).

The project has been a game changer for me as a teacher as it has enhanced my own knowledge and confidence in feeling digital literacy and online safety.

Comment on the impact this activity has had on the school generally.

The project has had a remarkable impact on our school, fostering a culture of digital responsibility and awareness among students, teachers and staff.

Please make any suggestions for improvement (e.g. What was the most effective part of this activity for you and why? What was the least effective and why?)

To further improve the project, I suggest providing more resources and support for teachers to effectively integrate cybersecurity into their curriculum.

Any other comments?

The project is a unifying force, bridging cultural divides and fostering a sense of community, empathy and understanding amongst students, staff, and faculty.

Thank you for your time and comments.
