

ISA Young Person Activity Evaluation Form

7

Activity number

To be completed by the International co-ordinator:

School name:	The Ambassadors College	LA/Board:	Ado-Odo Ota.
--------------	-------------------------	-----------	--------------

To be completed by a young person (at your school or in your local community if relevant):

Name:	BABALOLA OREOFE	Year group:	SS1 (14-15)
Title of activity:	CYBERSECURITY - A Joint Responsibility	Date:	10-06-2024

What have you enjoyed most about this activity? What did you like best?

- I enjoyed the way we were educated about the scopes of cybersecurity.
- I was informed about the effect of each scope and the effect or harms they cause.

What new ideas or information have you learned from this activity?

- I have learned ~~ed~~ different ^{ways} of being able to identify signs of ~~cyber~~ negative cyber or online activities.
- I also learned ~~ed~~ different ways of being safe or to avoid being victim of hackers online.

What have you enjoyed least or encountered difficulty with?

- I didn't really enjoy the aspect of cyber bullying. It is just misusing the opportunity of being online to cause discomfort to people.
- I liked the remaining aspect as it gave me the opportunity to be well knowledgeable on other scopes.

What would you like to change if you did this activity again?

- I would like to change the aspect of cyberbullying to a more polite approach.
- I would personally not like to have access to the internet or being scared of being cyberbullied.

Thank you for your time and comments.

To be completed by the International co-ordinator:

School name:	The Ambassadors collage	LA/Board:	Ado-odo sts
--------------	-------------------------	-----------	-------------

To be completed by a young person (at your school or in your local community if relevant):

Name:	Aitapo Pelumi	Year group:	S.S.1 (14-15)
Title of activity:	Cyber security: A joined responsibility	Date:	10-06-24

What have you enjoyed most about this activity? What did you like best?

The scope of project were cyber crime, welfare, terrorism, theft, bullying and many more. I enjoyed the aspect of cyber crime & attack and the solutions. Cyber attack is the the illegal attack between 2 or more individuals online. It can occur in various ways such as espionage, sabotage and denial of service.

What new ideas or information have you learned from this activity?

I learned that cyber threat can occur in various ways. For example, hacking into someone else's computer and having access to their information. I also learnt various ways to not encounter cyber threat

What have you enjoyed least or encountered difficulty with?

I disliked cyberbullying (which is the use of social media to bully someone). I encountered cyberbullying as a tough topic.

What would you like to change if you did this activity again?

I would like to change the aspect of cyber stalking. Personally, it is an abnormal activity. We have to respect the privacy of others instead of forcefully butting in their lives.

Thank you for your time and comments.

To be completed by the International co-ordinator:

School name:	The Ambassadors College	LA/Board:	Ado-Odo Ota
--------------	-------------------------	-----------	-------------

To be completed by a young person (at your school or in your local community if relevant):

Name:	Magbade Ajoke	Year group:	Grade 7 (11-12)
Title of activity:	Cyber Security - Account responsibility	Date:	10th/6/2024

What have you enjoyed most about this activity? What did you like best?

I have enjoyed the way the coordinator explained the activities. I liked the experience with my classmates and friends.

What new ideas or information have you learned from this activity?

I have learned we should be careful when we use electronic devices.

What have you enjoyed least or encountered difficulty with?

I encountered difficulty in the aspect of cyber terrorism.

What would you like to change if you did this activity again?

I would like to change the cyber bullying to mean the ~~electronic~~ electronic bullying of an individual.

Thank you for your time and comments.

--------------	-------------------------	-----------	-------------

To be completed by a young person (at your school or in your local community if relevant):

Name:	Olatunde Omojolu	Year group:	10. G.S. 1 (14-15)
Title of activity:	Cyber-security-A joint responsibility	Date:	10/6/24

What have you enjoyed most about this activity? What did you like best?

① I enjoyed the way I can ~~not~~^{now} detect cyber bullyer and the dangers. I also enjoy it because of the way I ^{can} do some coding.

What new ideas or information have you learned from this activity?

- ① I learnt how to detect cyber bullyer
- ② I learnt how hacker/crackers hack system and how to avoid it
- ③ I learnt not ~~how~~ to ~~disclose~~ my information.

What have you enjoyed least or encountered difficulty with?

I enjoyed the part of cyber terrorism and I also encountered difficulty with the way crackers decode.

What would you like to change if you did this activity again?

I would like to change the way crackers information get easily disclose and also security pattern in a way security patterns or password are disclosed.

Thank you for your time and comments.

--------------	-------------------------	-----------	-------------

To be completed by a young person (at your school or in your local community if relevant):

Name:	Aitayo Tomisin	Year group:	Year 11-12
Title of activity:	Cyber security - A joint responsibility	Date:	10/16/2024

What have you enjoyed most about this activity? What did you like best?

I have enjoyed the practical part of the topic - cyber security a joint responsibility and the videos that explained it.

What new ideas or information have you learned from this activity?

I have learnt about the types, effect, aims and other factors of the topic - cyber security - a joint responsibility.

What have you enjoyed least or encountered difficulty with?

I had encountered some difficulties with understanding some topics but the class wasn't bad and I understood a lot of new things about cyber security.

What would you like to change if you did this activity again?

I would like to change nothing about the activity, everything was alright and it was a good lecture.

Thank you for your time and comments.

To be completed by a young person (at your school or in your local community if relevant):

Name: <u>Akinleye Selinah</u>	Year group: <u>SS1 (14-15)</u>
Title of activity: <u>Cyber Security - A Join Responsibility</u>	Date: <u>10-6-2024</u>

What have you enjoyed most about this activity? What did you like best?

- I enjoyed - Cyber crime and Cyber threat
- Cyber threat means the potential attack on computer system or network
- Cyber bullying :- This is the using of computers or other electronics device to bully someone.

What new ideas or information have you learned from this activity?

- I have learnt to mind what i post online.
- I have learnt to ~~at~~ be aware of Hacker.
- I have learnt to be aware of cyber terrorism.

What have you enjoyed least or encountered difficulty with?

- I least enjoyed cyber Stalking
- Cyber Stalking is the using of electronic communication to stalk someone.

What would you like to change if you did this activity again?

- Hacking :- The using of computer unauthorised without the permission of the owner user.
- Causes of hacking :- loss of trust
- Benefit of Hacking :- Increase security awareness.

Thank you for your time and comments.

School name:	The Ambassadors college	LA/Board:	Ado-odo Ota
--------------	-------------------------	-----------	-------------

To be completed by a young person (at your school or in your local community if relevant):

Name:	Ijiola Perfection Maria	Year group:	Year 10
Title of activity:	Cyber Security: A joined responsibility	Date:	10/06/2024

What have you enjoyed most about this activity? What did you like best?

I enjoyed the explanation given by Mr Ounide ~~one of the~~ on Cyber ~~security~~ ^{attack}, the dangers and how to avoid and prevent them and some of the examples he gave and his explanation on cyber security

What new ideas or information have you learned from this activity?

I learnt the scopes of Cyber Security, their meanings and ways those scopes can occur. I ~~at~~ also learnt how I can avoid being a victim of any cyber attack.

What have you enjoyed least or encountered difficulty with?

I didn't really encounter any difficulty with anything

What would you like to change if you did this activity again?

I wouldn't like anything to be changed because I enjoyed the program and learnt a lot from it. However, I would love some more examples.

Thank you for your time and comments.

--------------	-------------------------	-----------	-------------

To be completed by a young person (at your school or in your local community if relevant):

Name:	AGUNLOYE INIOLUWA	Year group:	SS1 (10th grade)
Title of activity:	CYBER SECURITY - a joint responsibility	Date:	10/06/24

What have you enjoyed most about this activity? What did you like best?

The videos that were displayed to increase our understanding about cybersecurity.

What new ideas or information have you learned from this activity?

The dangers / insecurity that occurs online and how cybersecurity is deteriorating this danger.

What have you enjoyed least or encountered difficulty with?

The slides used for this presentation were a little bit unexplanatory, and the words were not bold enough to be easily seen.

What would you like to change if you did this activity again?

Although, the videos that were displayed are perfectly understandable. But, I believe they ~~can~~ ^{using} use animated videos next time would make it more interesting and captivating.

Thank you for your time and comments.

To be completed by a young person (at your school or in your local community if relevant):

Name:	Adisa Mubeezal	Year group:	9-9-21
Title of activity:	Cyber Security: A Joint Responsibilities	Date:	10-06-2024

What have you enjoyed most about this activity? What did you like best?

How the teachers on the event explained thoroughly with videos and stories told by the teachers about cyber but security.

What new ideas or information have you learned from this activity?

~~Cyber~~ Cyberattack: It is an illegal activity involving computer or network. There are 120,000 - war and 35000 document. It is between 2 individuals online using their computer. There are multiple ways it can occur like: sabotage, espionage, and Denial of service.

What have you enjoyed least or encountered difficulty with?

cyber bullying, the fact of being bullied can be thought and ~~but~~ scary but now being bullied online can be traumatizing. And hearing the word bullying get me angry. And I didn't really pay any attention to it.

What would you like to change if you did this activity again?

~~But~~ I would personal change cyber stalking. Personally, be stalk is wierd and abnormal. We NEED TO PROTECT THE PRIVACY OF OTHERS.

Thank you for your time and comments.

Name: <u>Tochebe Ojewale</u>	Year group: <u>10th grade SSF</u>
Title of activity: <u>Cyber Security - A joint Responsibility</u>	Date: <u>14/06/2024</u>

What have you enjoyed most about this activity? What did you like best?

The cyber bullying part, where I learned about cyber bullying and what I should do if I get bullied on the internet. That was the what I enjoyed most.

What new ideas or information have you learned from this activity?

I learnt that ~~there~~ we should protect our information online and we should beware of hackers, we should report any cyber bullying to an adult and we should not sit in silence.

What have you enjoyed least or encountered difficulty with?

Actually, I think I understood basically all the things that were talked about except the cyber terrorism part I did not really understand it.

What would you like to change if you did this activity again?

I think the activity was awesome and I would probably just make it more detailed but the presentation was ~~fantastic~~ simply fantastic.

Thank you for your time and comments.

Name:	AGBASJERE DIVINE	Year group:	GRADE 11 (15-16)
Title of activity:	CYBER SECURITY	Date:	14/06/2024

What have you enjoyed most about this activity? What did you like best?

I enjoyed the process when I was privileged to educate people on the importance of cyber security.

What new ideas or information have you learned from this activity?

I learnt about the importance of cyber security to the individual, and society.

What have you enjoyed least or encountered difficulty with?

I did not experience any difficulty during the activity.

What would you like to change if you did this activity again?

I would like if we were able to create a program or programmes that would enhance cyber security.

Thank you for your time and comments.

--------------	-------------------------	-----------	--------------

To be completed by a young person (at your school or in your local community if relevant):

Name:	IYANU MORAH ESEOSA	Year group:	GRADE 11 (15-16)
Title of activity:	CYBER SECURITY	Date:	14/06/2024

What have you enjoyed most about this activity? What did you like best?

I enjoyed learning from other people on the importance of cyber security. I was ~~also~~ ^{also} able to research more on cyber security and I was able to see the great impact it has on the society. \ddagger

What new ideas or information have you learned from this activity?

I believe that we can use different methods to enhance cyber security in the society. I believe creating cyber ~~security~~ ^{awareness} groups or enlightenment programs is the way to solve the problem of ignorance of young naive individuals.

What have you enjoyed least or encountered difficulty with?

I did not experience any difficulty during the activity.

What would you like to change if you did this activity again?

I would like people who studied cyber security as a course in the university to come and educate or talk more about cyber security and ways we young individuals can impact greatly in the reduction of this rampant cyber crime.

Thank you for your time and comments.
