I enjoyed the fact that we had other schools who also presented to us and that we had the chance to compete which built my confidence.

Title of activity:	La casse barrière (French the barrier breaker)	Date:	13/10/2023

What have you enjoyed most about this activity? What did you like best?

I enjoyed the fact that I was exploring a language I really like studying - French. It was fun ~~only~~ speaking in only one language for a whole day - a foreign one at that.

What new ideas or information have you learned from this activity?

I learnt about places in France, its neighbours, its president, its flag, french pronunciations, words and organizations, french numbers and so much more. It was truly enlightening.

What have you enjoyed least or encountered difficulty with?

Since French is a foreign language for all of the Ambassadors pupils, some were finding it difficult to understand what we were ~~said~~ saying and doing thus not properly appreciating all our hardwork.

What would you like to change if you did this activity again?

I would have loved it if we could have gone to visit the other school, that would have made it so much more fun.

Thank you for your time and comments.

What have you enjoyed most about this activity? What did you like best?

To me the thing that I enjoyed and was the best was the drama that me and my ~~the~~ friends did. It was a mixture of jokes, suspense and education. Everybody laughed, ~~and~~ and enjoyed the show.

What new ideas or information have you learned from this activity?

During the quiz, I learnt many new and important things like ~~the~~ the writers of some books and also the economic condition of some French speaking countries.

What have you enjoyed least or encountered difficulty with?

The only bad thing happened, was that the network was poor. So when we were speaking with the other school we couldn't hear some of the things that they were saying.

What would you like to change if you did this activity again?

The thing that I will like to change is the fact that the other school didn't come here. I would have loved ~~see~~ ~~the~~ meeting them physically.

Thank you for your time and comments.
